# about us

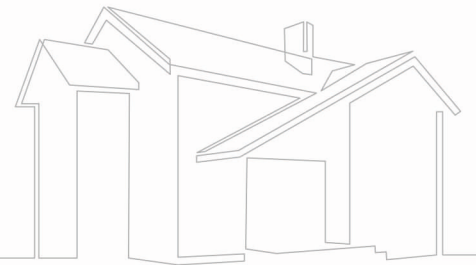

*THERE IS A TOUCH OF*  
**THERMOCOOL**  
*IN EVERY HOME*

**We are** a household name in promoting pristine technological novelty and perfection. From contemporary design to great functionality, we have it all.

Our products steadily outperform peers with outstanding service that makes every customer smile with technology-driven home appliances. From the kitchen to the bedroom and the laundry, we have started selling in India's mere canteens and meager stores.

We are lucky to announce that now, we are adding cooler pumps, home appliances, halogen heaters, and many more exciting and innovative products to our portfolio. Our products have helped you to create a perfect home as per your dream. Over these 30 years, we have a delighted customer base of millions, and we wish to enhance our work with your love & support.

## **OUR MISSION**

We are honestly committed to become & remain as the World's Largest & Respected Organization.

---

## **OUR VISION**

We are honestly committed to achieve our mission by providing zero-defect-quality products to our respected internal & external customers through zero-defect system.

**THERMOCOOL**  
An ISO 9001 Certified Company

*The New Dimension of*  
**THRILL**
